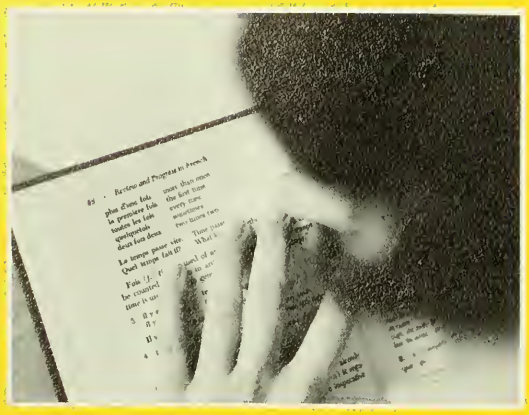
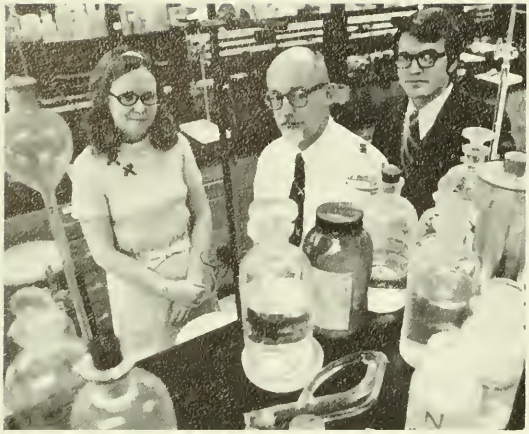
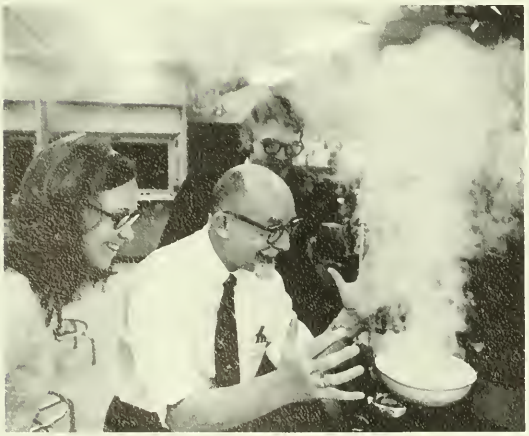
go placidly amid the noise
and the haste, and remember
what peace there may be in
silence.
as far as possible without
surrender be on good terms
with all persons.
speak your truth quietly
and clearly; and listen to
others, even the dull and
ignorant; they too have
their story.

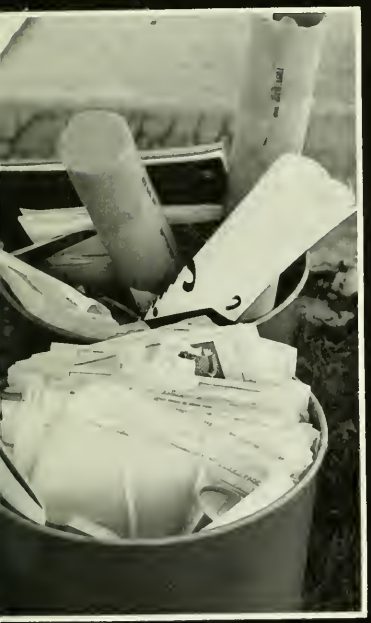


avoid loud and aggressive persons,
they are vexations to the spirit.
if you compare yourself with others you may
become vain and bitter; for always there will
be greater and lesser persons than yourself.

Trapper Keeper

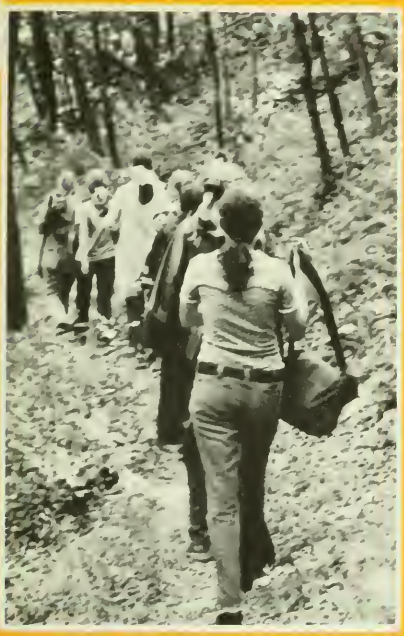






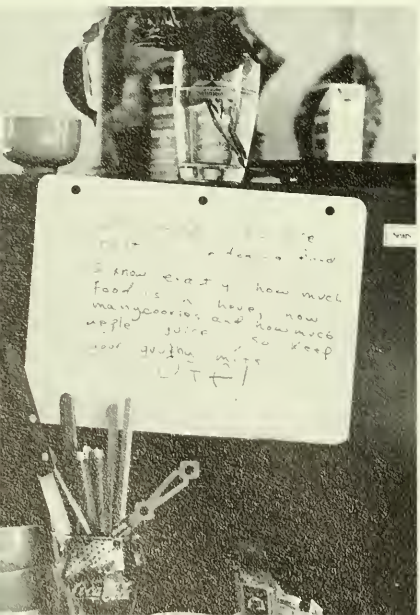
enjoy your achievements as well as your plans.
keep interested in your own career, however, humble:
it is a real possession in the changing fortunes of time.

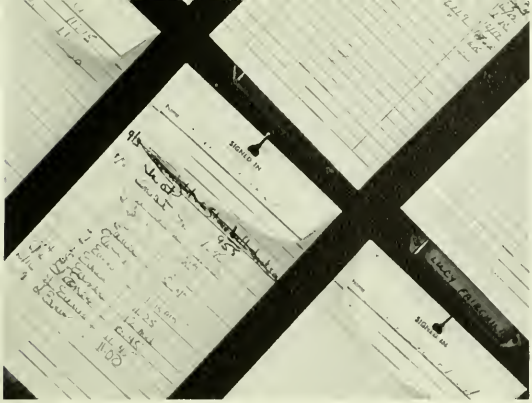
exercise caution in your business affairs;
for the world is full of trickery.
but let this not blind you to what virtue there is;
many persons strive for high ideals;
and everywhere life is full of heroism.

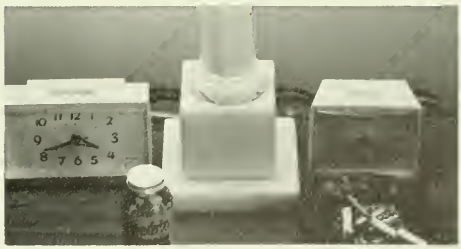


be yourself.
especially do not feign affection.
neither be cynical about love;
for in the face of all aridity and disenchantment
it is as perennial as the grass.

take kindly the counsel of the years,
gracefully surrendering the things of youth.
nurture strength of spirit to shield you in sudden misfortune.

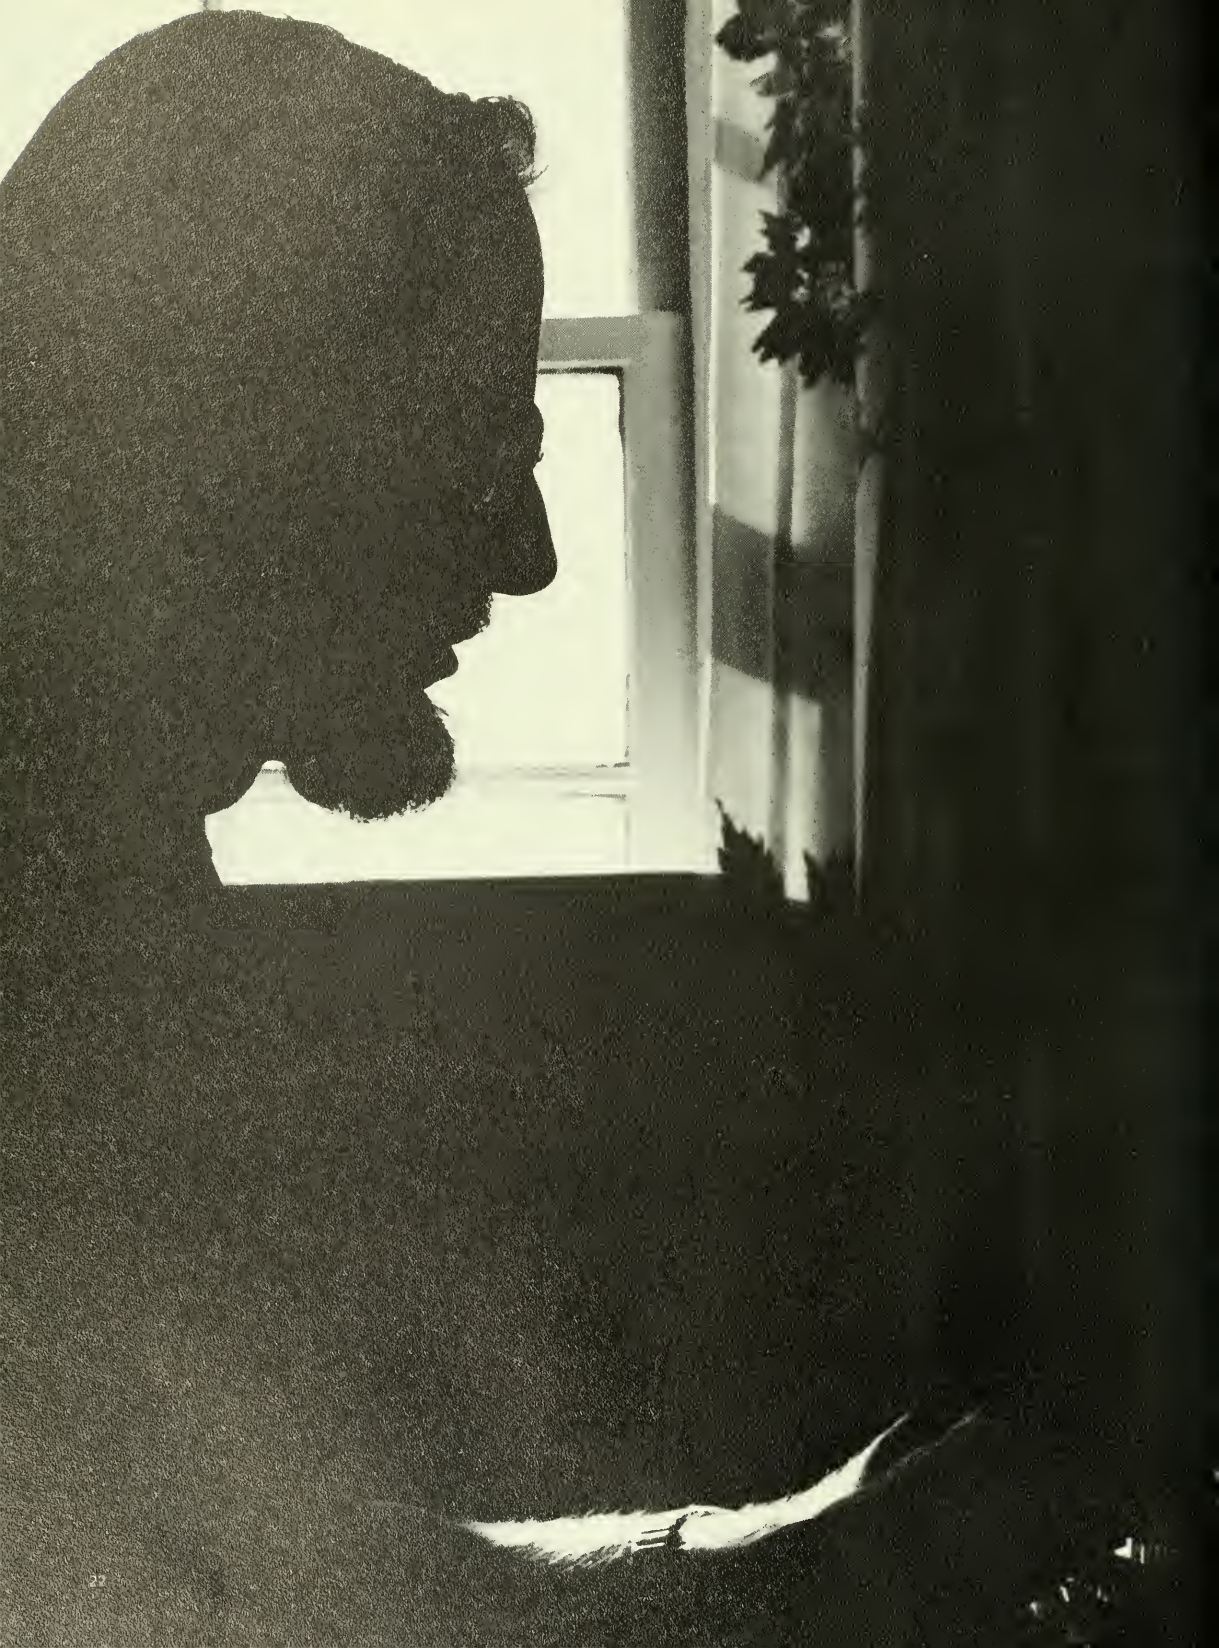






but do not distress yourself with imaginings.
many fears are born of fatigue and loneliness.
beyond a wholesome discipline, be gentle with yourself.

ΣΑΕ



you are a child of the universe
no less than the trees and stars;
you have a right to be here.
and whether or not it is clear to you,
no doubt the universe is unfolding as it should.
therefore be at peace with god,
whatever you conceive him to be.
and whatever your labors and aspirations,
in the noisy confusion of life
keep peace with your soul.
with all its sham, drudgery and broken dreams,
it is still a beautiful world.
be cheerful.
strive to be happy.

we're the class of '75.
when it's night we come alive.
rye or scotch or beer or gin —
it matters not, we get it in.
we've got the men; we've got the booze.
with looks like ours, how can we lose?
for the best we will strive.
